

Errata for the Westside Fire Recovery Project Draft EIS

Acres Corrected in Tables for Site Preparation, Planting, and Release (updated March 19, 2015)

A software error caused a double counting of site preparation acres in Chapter 2, Alternative 3 Table 2-15, Alternative 4 Table 2-21 and Alternative 5 Table 2-28 in the draft EIS posted on the public website on March 6, 2015. Acres identified below in red text are correct. The corrected numbers will replace the errors in chapter 2 of the draft EIS.
