SUPPLEMENTARY INFORMATION:

*Title; Associated Form; and OMB
 Number:* Third Party Collection
 Program/Medical Services Account/
 Other Health Insurance; DD Form 2569;
 OMB Control Number 0720-0055.

Needs and Uses: The information
 collection requirement is necessary to
 obtain health insurance policy
 information used for coordination of
 health care benefits and billing third
 party payers and other federal agencies
 for health care provided to their
 beneficiaries and also to civilian non-
 Uniformed Service beneficiaries for
 health care provided to them. DoD
 implemented the Third Party Collection
 Program (TPCP) in FY87 based on the
 authority granted in 10 U.S.C. 1095 and
 implemented by 32 CFR 220 in
 accordance with the Consolidated
 Omnibus Budget Reconciliation Act of
 1986 (COBRA) (Pub. L. 99-272, section
 2001, April 7, 1986). Under the TPCP,
 DoD is authorized to collect from third-
 party payers the cost of inpatient and
 outpatient services rendered to DoD
 beneficiaries who have other health
 insurance. Military treatment facilities
 (MTFs) are required to make this form
 available to third-party payers upon
 request. A third-party payer may not
 request any other assignment of benefits
 form from the subscriber. Also, for
 civilian non-Uniformed Services
 beneficiary and interagency patients, DD
 Form 2569 is necessary and serves as an
 assignment of benefits, approval to
 submit claims to payers on behalf of the
 patient and authorization to release
 medical information.

Affected Public: Individuals or
 households.

Annual Burden Hours: 260,000.
Number of Respondents: 3,900,000.
Responses per Respondent: 1.
Annual Responses: 3,900,000.

Average Burden per Response: 4
 minutes.

Frequency: Annually, on occasion.

The administration has placed an
 increased emphasis upon recovery of
 health care expenses under the TPCP, as
 authorized by 10 U.S.C. 1095 and
 1097b, and also from civilians and other
 federal agencies as authorized by 10
 U.S.C. 1079b and 1085. Completion of
 this form, while increasing total burden
 hours, will aid in increasing revenue to
 improve services, operating efficiency
 and effectiveness within the Military
 Health System. Funds collected return
 directly to the operation and
 maintenance budget of the MTF where
 the care was delivered and are used to
 improve the quality of healthcare. Often
 the funds allow the continuation of
 programs or purchasing of equipment at
 the facilities for which there would
 otherwise not be funding. This
 information is collected either during
 the admission and/or discharge process
 for an inpatient stay or during the
 registration process for an outpatient
 visit or as soon as practical thereafter.

Dated: January 26, 2016.

 Officer, Department of Defense.*
