

APPENDIX K

Sensitive Species Within 500 Feet of Campsites

Changes Between Draft and Final Environment Impact Statement

- Changed appendix letter from I to K.
- Removed species not on Regional Forester's Sensitive Species or Survey and Manage List.
- Made minor editorial and spelling corrections.

APPENDIX K

SENSITIVE SPECIES WITHIN 500 FEET OF CAMPSITES

Figure H-1. Species on the Regional ISSSP lists within 500 ft of Outfitter Camps.

Subunit	Camp Name	T	R	SEC	Species	WNHP Element Occurrence (EO) #	Notes
Pasayten Wilderness Methow	Bald Mountain*	40N	21E	20	<i>Carex atrosquama</i>	2	Assigned site. Confirmed <i>C. atrosquama</i> population. 5 ac Emergent / temp-seasonally flooded wetlands
Pasayten Wilderness Methow	Bald Mountain*	40N	21E	20	<i>Carex heteroneura (C.epapillosa)</i>		Assigned site. Confirmed <i>C. atrosquama</i> population. 5 ac. Emergent / temp-seasonally flooded wetlands.
Pasayten Wilderness Methow	Bald Mountain*	40N	21E	20	<i>Gentiana glauca</i>	8	Assigned site, Not in camp but in night graze area. 5 ac. Emergent / temp-seasonally flooded wetlands
Pasayten Wilderness Methow	Bald Mountain*	40N	21E	20	<i>Potentilla nivea</i>	15	Assigned site. Not in camp and habitat not likely in night graze. 5 ac. Emergent / temp-seasonally flooded wetlands
Pasayten Wilderness Methow	Beaver Creek Camp*	40N	21E	17	<i>Carex heteroneura (C.epapillosa)</i>	16	Assigned site, 9.7 ac. Shrub / temp-seasonally flooded.
Pasayten Wilderness Methow	Beaver Creek Camp*	40N	21E	17	<i>Gentiana glauca</i>	8	Assigned site, 9.7 ac. Shrub / temp-seasonally flooded.
Pasayten Wilderness Methow	Beaver Creek Drop Camp*	40N	21E	8	<i>Eriophorum viridicarinatum</i>	2	No suitable habitat in camp. Plant location not well defined. Likely not in area. High Hunt, drop. 9.5 ac. Shrub / temp-seasonally flooded.
Pasayten Wilderness Methow	Cathedral Camp*	40N	21N	16	<i>Gentiana glauca</i>		High Hunt, drop. 1 ac. Shrub / temporary or seasonally flooded.
Pasayten Wilderness Methow	Charlie Brown*	40N	21E	17	<i>Carex magellanica ssp. irrigua</i>		High Hunt. 7 ac. Emergent / temporary or seasonally flooded.

Subunit	Camp Name	T	R	SEC	Species	WNHP Element Occurrence (EO) #	Notes
Pasayten Wilderness Methow	Corral Lake	40N	20E	33	<i>Carex atosquama</i> , <i>Carex heteroneura</i> (<i>C.epapillosa</i>)	14	Season long, drop. 3.0 ac. open water. Voucher taken in 03 from near site confirmed it as <i>C. atosquama</i> . EO # 14 <i>Carex heteroneura</i> was not relocated. Suspect EO 14 is <i>C. atosquama</i> .
Pasayten Wilderness Methow	Ferguson Lake	38N	18E	16	<i>Carex scirpoidea</i> var. <i>scirpoidea</i>	2	High Hunt, drop. No habitat in camp. Population likely not in any use area. 2.7 ac. open water
Pasayten Wilderness Methow	Pasayten Hilton	40N	20E	13	<i>Carex magellanica</i> ssp. <i>irrigua</i>	32	High Hunt, drop. 1.3 ac. Shrub /temp-seasonally flooded.
Pasayten Wilderness Methow	Ptarmigan Cr	40N	21E	4	<i>Eriophorum viridicarinatum</i>	2	High Hunt, drop. Not likely in any use area. Location not well defined. No wetlands.
Pasayten Wilderness Methow	Sheep Mountain	40N	20E	16	<i>Carex epapillosa</i>		Assigned site , 0.3 ac. Shrub / temp-seasonally flooded. Voucher confirmed as <i>Carex epapillosa</i> .
Pasayten Wilderness Methow	Silver Lake*	38N	18E	19	<i>Polemonium viscosum</i>	4	Season long, progressive, drop. 1.4 ac. of open water. No stock use . Not likely near camp. Habitat on ridge above camp and not in any use area.
Pasayten Wilderness Methow	Timberwolf 1*	40N	20E	29	<i>Carex epapillosa</i>		High Hunt, drop. No stock use . Confirmed <i>Carex epapillosa</i> . 2.4 ac. Emergent / temp-seasonally flooded.
Pasayten Wilderness Tonasket	Horseshoe Basin	40N	23E	10	<i>Carex heteroneura</i> (<i>C.epapillosa</i>)	4	Season long, overnight. No wetlands. Suitable habitat. Species location not confirmed w/in camp area.

Subunit	Camp Name	T	R	SEC	Species	WNHP Element Occurrence (EO) #	Notes
Pasayten Wilderness Tonasket	Horseshoe Creek	40N	23E	15	<i>Carex heteroneura (C.epapillosa)</i>	4	Season long, overnight. 2.2 ac Emergent / temp- seasonally flooded. Species location not confirmed w/in camp area.
