**Alternative 3
Peak 7 to Peak 10 Circulation Route**

Option 1 (same as the route analyzed in the previous alternative)
74 Minutes to ride the Independence SuperChair, descend Claimjumper to the Colorado SuperChair, descend Four O'clock past C Chair and along Lower Sawmill to the Beaver Run SuperChair, and finally descend Briar Rose to the Falcon SuperChair

Option 2 The time is reduced to 65 Minutes by taking the upgraded C Chair and descending Columbia instead of traversing to the Beaver Run SuperChair and descending Briar Rose

***Portal Access and Egress**

Peak 7 Access - 15%, Peak 7 Egress - 15%
Peak 8 Access - 42%, Peak 8 Egress - 42%
Peak 9 Access - 43%, Peak 9 Egress - 43%

Primary Egress and High Density Trails

Peak 7 - Pioneer and Monte Cristo
Peak 8 - Four O'Clock, Springmeier, Swinger, Crescendo, and Claimjumper
Peak 9 - Silverthorne and Lower Sundown
