## South George Vegetation and Fuels Management Project Final Environmental Impact Statement (FEIS) and Record of Decision (ROD)

The following error was discovered after the FEIS was published and the ROD signed for south George Vegetation and Fuels Management Project.

The changes in the statements listed below were determined to not affect conclusions presented in the FEIS or ROD.

**Appendix K of the FEIS**  
**page K-79 - In response to**  
**Comment Number TLC-9a,**  
**p. 21 and attachment**

### **Description of the Correction**

Under Point Number 2 – Sentence number 5, remove the beginning portion of the sentence that reads

*“But since South George planning area does not contain any fire regime IV (page 3-80 in DEIS)”* and leave the remainder of the sentence as presented.

The sentence should now read *“We would not expect any portion of the planning area to regularly experience stand-replacement tree mortality as a result of fire disturbance.”*

Also please see attached email dated October 5, 2012 from the responsible official, Monte Fujishin, Pomeroy, District Ranger, to David Mildrexler, representing The Lands Council et al. Representatives of the four appellants of South George ROD (Boise Cascade, American Forest Resource Council, Washington Department of Fish and Wildlife, and The Lands Council et al.) were copied on this email.

**Chapter 3 – FEIS**  
page 3-62 – FEIS

**Description of the Correction**

First sentence on page 3-62 currently reads:

In summary, the implementation of silvicultural activities associated with Alternatives B and C does not result in more of the forest cover types, forest structural changes, and tree density classes moving within their historical ranges because of the following two factors:

The sentence should now read:

*In summary, the implementation of silvicultural activities associated with Alternatives B and C does not result in **all** of the forest cover types, forest structural changes, and tree density classes moving within their historical ranges because of the following two factors:*

**Record of Decision**  
page 12

**Description of the Correction**

Second paragraph, second sentence on page 12 currently reads:

I am mindful that implementation of silviculture activities associated with Alternative B-Modified will not result in more of the forest cover types moving within their historical ranges, because of the following reasons:

The sentence should now read: *I am mindful that implementation of silviculture activities associated with Alternative B-Modified will not result in **all** of the forest cover types moving within their historical ranges, because of the following reasons:*
