Subject: NRA Restoration and Motorized Travel Management Project Meeting and Workshop

Dear Interested Public:

This letter is to notify you that the Six Rivers National Forest will be hosting a Pre-Scoping Meeting and Scoping Workshop in the near future regarding the Smith River National Recreation Area (NRA) Restoration and Motorized Travel Management Project.

The purpose of the Pre-Scoping Meeting on April 3, 2012, is to update the public on the status of the project, describe the analysis and decision making process, and identify the opportunities for public involvement.

Public Meeting: Pre-Scoping

Format: Presentation

Subject: Project Status, Process, and Public Involvement Opportunities

Date: April 3, 2012

Time: 6:00-7:30

Location: Mountain Elementary School
55 Azalea Lane, Gasquet, California

The Scoping Workshop is scheduled on May 9, 2012, during the scoping period which is anticipated to begin on April 20 and run for 45 days. The scoping period provides the public an opportunity to provide comments on the proposed action that the Forest will consider in determining the significant issues and alternatives to be analyzed. Resource specialists will be available at the workshop to discuss the proposed action, answer questions about the project, and provide information about how to comment on the proposed action.

Public Meeting: Scoping

Format: Workshop

Subject: Discuss project, answer questions and provide information about how to comment

Date: May 9, 2012

Time: 5:30-7:30

Location: Lighthouse Inn
681 US Hwy 101 S
Crescent City, California

Your interest and continued contribution to this project is appreciated. We look forward to meeting with you soon.
